SPARE COPIES.....

In the G.O. cited, the Government accepted my proposal to disburse among the trainees the sale proceeds of the wares produced by them in the Ceramic Training Centres at Cuddapah and Harpanhalli in the Bellary District subject to a maximum of Rs.30/- per mensem in each centre for a period of six months only.

2. As all the available potters suitable for training in and around Cuddapah have had their training in the pottery training centre and the extrainees formed themselves into a potters' co-operative society,

P.t.o.

the recruitment of fresh candidates for training was stopped at the Cuddapah centre.

3. The proposal was given effect to from 1-5-1946, and it has had a great beneficial effect on the Harpanhalli Centre. Since the introduction of this concession the results are very encouraging and there is no difficulty in maintaining the full strength of students at this centre. Potters now, in this area, are reported to be eagerly awaiting their turn for getting admitted for training and the trainees are reported to evince greater interest in their work.

4. In the circumstances, I request that Government may be pleased to sanction the grant of the concession for a further period upto 31-3-1947 at Harpanhalli centre (Bellary District) - the period upto which the retention of the centre has been sanctioned.
